

FIXING INSTRUCTIONS

EXPANDED GRAPHITE TAPE ON FIREFIGHTER PLUS PANELS

This leaflet provides guidance for fixing Steadmans expanded graphite tape onto the sides of Steadmans Firefighter Plus insulated wall panels.

- 1** Ensure the edge of the panel is clean and dry (figure 1).
- 2** Peel the Expanded Graphite backing paper 25mm from the end of the reel (figure 2).
- 3** Apply the exposed end of the Expanded Graphite firmly to the under lap edge of the sheet (figure 3).
- 4** Slowly pull the backing paper from the Expanded Graphite while applying light pressure to the Expanded Graphite to press it into position (figure 4).
